Tradition

**For our group purpose their is
but one ultimate authority—a
loving God as He may express
himself in our group con-
science. Our leaders are but
trusted servants; they do not
govern.**

Concept

**The General Service Confer-
ence of A.A. has become, for
nearly every practical purpose,
the active voice and the effec-
tive conscience of our whole
society in its world affairs.**

Thank You !!

THANK YOU VOLUNTEERS!!

Thanks to these volunteers for keeping Central Office running smoothly for the past month:

Chris S.
Pat

Thank You !!

First off, I really want to extend my thanks to Tom for trying to help the man that called in on Friday night...wow! was he a handful!! Except for my neighbor, I don't think I have ever met up with anyone so negative and blameful to others for his present condition!! After Tom, I had to turn to Scott and Dave...wow! They all deserve medals of honor!!

THERMODYNAMICS

I came into A.A. Bankrupt in every department. When I started to work the steps, my first big challenge was to find a power greater than myself that could solve my problems. What an order for a guy who they describe in step two in the 12x12 as the one who had tried religion and found it wanting. I could see the examples of people around me that seemed to have it figured out and I became a nuisance trying to corner them to get them to explain to Me how they do it and they had as much trouble explaining it as I did. One day I confronted my friend, Jim, and asked him to let me in on the secret. Frustrated, He asked, "Do you want to drink right now"? My answer was "NO". He then asked me, "Did you want to drink a year ago"? And my answer was "YES". Next he asked me "what made the difference"? My answer was that I was influenced by the A.A. program. His next question was, "Do you have any Problem calling that God? WOW! What a concept.

I have never wanted a drink since I entered the program and the only answer I could come up with was the influence of A.A in my life. For a guy who couldn't conceive of a day without alcohol, to a guy that has never wanted a drink since, was all I needed to know about God. I wish I could tell you who or what God is but I can't. I can, however tell you what God does for me but I'll get to that later.

The 2nd appendage in the big book, Spiritual Experience, implies that there are many examples of spiritual experiences, and they come in different forms. They can be of the burning bush variety or a psychic change sufficient to bring about recovery from alcoholism. Or, as I like to believe, my spiritual experience came in the form of "a profound change of perception". When it occurred to me that all of my thinking was flawed and that I was finally in an environment where I could, with the help of the group, start to follow simple unselfish guidelines that would restore my self esteem and put me at peace with myself and others, I started this wonderful journey and I've never had it so good. These universal truths are common in all philosophies and I must seek them out if I want to heal.

I pray to God every day, even though I don't know who or what God is. My mind is not sophisticated enough to understand God and I'm not sure that God hears my prayers, but I HEAR MY PRAYERS and that, I believe, puts me in the best possible attitude I can have about the issue I pray for. My prayers are always the same. I pray for knowledge of his will for me and strength to carry it out. I.e. God, Please show me what to do and give me the strength to do it, I don't do to well on my own. I often knew what to do, but wasn't always strong enough to do what was right. Today I'm stronger.

Who or what is God? I'm not sure anyone can define God. As a friend of mine (Will) explained, "You don't have to understand thermodynamics to enjoy the warmth of the sun", I do, however, know what God does. When I ask for guidance, I become a better receiver and I hear the answers that used to pass right over my head when I Thought I had all the answers. I thank God for an open mind.
