## Step

We admitted we were  
powerless over alcohol-  
that our lives had become  
unmanageable.

## Tradition

Our common welfare should  
come first; personal  
recovery depends upon  
A.A. unity.

## Concept

Final responsibility and ulti-  
mate authority for A.A. world  
services should always  
reside in the collective  
conscience of our whole  
Fellowship.

We hope everyone had a wonderful Holiday season.

Faithfully Yours in Service,

**We thank all of the birthday celebrants for their  
contributions to the Central Office Birthday Club.**

## 7TH TRADITION CHALLENGE

*"Now that we are sober in A.A., the word 'support' has to do with sharing, people, self-respect, gratitude, and what we are privileged to give - not take - in material terms."*

**We are self-supporting through our own contributions ~ Many of our branches are suffering from lack of support (GSO, Area, H&I, Central Office). How much does one drink cost? If it were not for Alcoholics Anonymous, we'd be drinking plenty!**

**Drop the cost of one drink into your home groups basket when it comes by . . . you can't afford not to!**

### WHERE'S BILL & BOB???

**Public Information (PI) Report:** John L. – Correction: Last month he went to the Loma Linda University Dimensions of Health Class, not a health fair. Health fairs will be held after January, and we need help there. Need younger people like for high schools, etc. They need people they can relate to. Also need people to distribute directories. Take an area like Calimesa or Yucaipa or Redlands, etc. Just go to a motel and ask if they'd like AA directories. John's number is in the previous newsletter and will leave it in for this month also. Just go to Central Office, pick up directories, and tell them the hotels/motels you distributed to.

**H&I Report (Hospitals and Institutions):** Tom F – The regular H&I meeting is third Sunday of the month at Unity Club in Redlands. Thank you for your donations. It all goes to take literature into institutions. There are lots of panels, they need lots of help, come on by.

**GSR Report District 8 by Ray S:** Barbaradee will step down from her regular position. AA isn't making that much money, but recovery community is making a boatload. If everyone gives \$7.50, that will take care of us. Barbaradee wants to start up a PenPal program to write to inmates in prisons two states away.

**12-Step Committee:** Diane reported for **Lisa H** – The schedule is full as of now. If you'd like to be on the 12 step committee, answering phones after the Office is closed, give Diane your name or call Central Office. Lisa herself takes a lot of calls and covers many of the evenings that aren't otherwise covered.

**Ofc Mgr Report:** by Diane for **Carolyn V:** No real report; just remember gratitude month was last month; don't forget to turn in the money from your group.

## UNDERSTANDING STEP ONE

I wish I could say that everyone that enters the doors of Alcoholics Anonymous has an equal shot at getting sober and staying that way for the rest of their lives but, depending on the different reasons why each individual decides to give A.A. a chance, coupled with the degree of desperation that caused that person to delve into what the program has to offer, we get a variety of different results. When I arrived at my first A.A. meeting I was desperately looking for, what I thought was a solution to an impossible situation. I was defeated and absolutely demoralized. Within minutes of being exposed to the sober members of that group I was convinced that I had found the solution to my hopeless condition and the desire to drink was removed from me on the spot and has never returned. That was on Oct. 15, 1969. I wish every new member could have that type of experience, but we know that many of us aren't that receptive in the beginning.

Most of the members of that early group were over forty years old and I was only 28 yrs. old but I was the exception at that time. Meetings were much smaller since there was no rehab facilities intervening in the alcoholic's drinking escapades so they didn't start hitting their bottom till their forties or fifties and I sometimes think it had something to do with midlife crisis, or was that just a coincidence. What I do see that is different from my experience, for the most part, is the blurred line when comes to the first requirement for A.A. membership: "a desire to stop drinking". If some Judge or employer told me that I had to stop drinking, considering the relief I got from the bottle, I doubt that I would have been nearly as receptive to getting sober, and if I had, I'm sure I would have relapses as much as any of those who, unfortunately, struggle with staying sober. It appears that many of the A.A. members of today see a high percentage of relapses and they attribute that as an abysmal success ratio in A.A. but they assume that just because they were sent to A.A. from a rehab facility that they should be lumped in with those, like me, who had a desire to stop drinking and came in looking for answers. These relapses are the natural result when the desire to drink is stronger than the desire to stay sober.

In the Foreword to the second edition of the Big Book it says: Of alcoholics who came to A.A. and really tried, 50% got sober at once and remained that way: 25% sobered up after some relapses. I often ask a newcomer what caused them to give A.A. a visit and most of them say that the main reasons were DUI's, Work related requirements, and spouses ultimatums. Occasionally someone says, I just ran out of ideas and I need help. The later is usually the one in ten that stays sober without relapse. I also believe that if you counted only the ones that came in searching for answers, the same ratio as in the foreword to the Big Book would still apply. Seventy five percent is not bad. The good news is that many of the members that are here as the result of intervention or other motivations often become what they refer to as the "educational variety" often get sober years before they would have had they not been intervened upon. We treat these brothers and sisters with empathy, compassion and understanding. The awareness in the community has taken away much of the stigma (not all) of being cursed with the disease of alcoholism and where we had meetings totaling ten or twelve members we now have twenty to forty members attending. Sometimes the fruit is picked before it's ripe, but we never discard it.
