HOSPITALS AND INSTITUTIONS: Report given by Tom F. for Ernestine M.; page 9 (March Newsletter) has individual thanks for contributions.

OFFICE REPORT: Report given by Amy J. for Carolyn V.;

Experiencing computer issues and need some help from an experienced AA member who can help with NETWORKING. We have two computers that are not talking to each other correctly and would appreciate some help. So if you know someone please have them call the office manager.

1. Wanted to take the time to highlight a resource maybe members forgot about or didn't realize. On our ainlandempire.org website, there are links provided on the left-hand side of the home page. One of those links is for "Online Intergroup". Did you know that this website is a part of the World Service Association? They have a couple of functions but one of the most obvious is connecting folks to online meeting groups. This is for our folks who maybe are homebound, deaf or hard of hearing, blind (yes blind folks have their ways of using the internet), and also our sick members stuck at home hacking up a lung. That website is www.aa-intergroup.com. Check it out, this resource could be the perfect for you or someone you know who may be struggling.
2. TWO DRUMS (roller thingies) for the big RICOH printer (the beast that prints off the directories and newsletters) were purchased for the office since the last IG meeting. They both were a big cost and this will show up on our next Financial Report.
3. END OF THE YEAR TAXES are done. Our tax guy reports back that our "books are excellently kept!" Our office manager keeps the finances transparent and if you or your group ever have any questions about CO Finances, you are more than welcome to speak with the Office Manager.
4. SLOTS for VOLUNTEERS are all filled however if there is anyone that would like to come in and assemble the directories or fold newsletters, they are more than welcome to come in anytime. This is a great way to be of service as well as get a feel for how the office works and how folks use us as a resource.
5. 12 STEP CALL LIST is one of the in-house projects our volunteers are currently working on. All members from the former list have been called at this point. Right now they are waiting to hear back from folks whom they have left messages for. There are a-lot (aaaa-lot) of folks that have had to be removed from the list because the number was disconnected. We have many areas that we cover where they're down to one WILLING member to take calls. There is a benefit from connecting our suffering alcoholics to another member in their area. Would like to encourage REPS to go back to your group and announce that we're looking for WILLING members to get connected with Central Office and be of service as one drunk talking to another. Looking for their name, number, area, availability, and if they have any questions about 12-Step calls that come into our office.

12 STEP COMMITTEE: Tom F. stressed that we need more women to get on the call list from each area

7TH TRADITION CHALLENGE

"Now that we are sober in A.A., the word 'support' has to do with sharing, people, self-respect, gratitude, and what we are privileged to give - not take - in material terms."

We are self-supporting through our own contributions ~ Many of our branches are suffering from lack of support (GSO, Area, H&I, Central Office). How much does one drink cost? If it were not for Alcoholics Anonymous, we'd be drinking plenty!

Drop the cost of one drink into your home groups basket when it comes by . . . you can't afford not to!
