A Journey of Hope

By Rick R.

Getting right with this world is a wonderful quest,

When you've been to the gates of hell.

For we who used liquor, to soften the pain,

Know it usually doesn't end well.

We relied on our EGOs, to bolster our pride,

And support our old way of thinking.

Then slowly but surely, as things went awry,

We began to rely on our drinking.

Failures at life, loss of family and friends,

What a horrible price to pay.

When all else had failed, desperation stepped in,

And we entered the gates of A.A.

Surrounded by people, who'd been there before

And the help of Gods gentle sway,

A new life emerged, that we knew nothing of,

And our problems started fading away.

From the gates of hell, to the gates of A.A,

To a journey you don't want to miss.

From the pain of the past to the hope of today,

Could it possibly all end in bliss?

If we practice the program, one step at a time,

Leaving nothing out from the start.

The final result will be happiness,

Peace of mind, and a quiet heart.
