With so many inquiries to Central Office regarding how to keep the 7th Tradition, please note the following:

Many Zoom Meetings are now accepting 7th Tradition contributions to pay for their Zoom subscriptions and to distribute to the various areas of A.A. service. If you attend Zoom meetings that are not collecting for the 7th Tradition, please consider supporting your Central Office individually. We have a PayPal link on the website home page for direct digital donations. Please consider this to help us retain as much of our Prudent Reserve as we can during this time when many regular meetings must reduce or suspend their support. Of course, regular checks can be sent via Postal Mail as well.

March 19, 2020

The General Service of Alcoholics Anonymous (G.S.O.) U.S./Canada functions as a repository for A.A. members and groups who are looking for the shared experience of the Fellowship. As the global situation related to Coronavirus (COVID-19) continues to develop, we are fully committed to continue to serve as a resource center of shared experience to help navigate this unprecedented public health emergency.

It is important to note the G.S.O. is not an authoritative body over our groups, nor does it initiate rules or directives, as each A.A. group and entity is autonomous and decisions are made through its group conscience. Providing guidance on health issues is outside the scope of the A.A. sharing that G.S.O. offers. For anyone experiencing health and safety questions, it is suggested they contact national, state/provincial and local health authorities for appropriate information.

However, in response to the global outbreak, we do have some general experience regarding how some A.A. groups and members have begun to address this issue. Many are following "social distancing" guidelines established by local, state, provincial, and federal officials, while at the same time maintaining their recovery and attending digital A.A. meetings.

By attending digital meetings, groups can focus on A.A.'s primary purpose: to carry its message of recovery to the alcoholic who still suffers. Many groups have alerted local A.A. offices or hotlines if they are temporarily not meeting in their regular space. Some groups have shared that they are utilizing digital platforms such as [Zoom](#), [Google Hangouts](#), or conducting conference calls.

A.A. groups are also creating contact lists, keeping in touch by phone, email or social media. Many local A.A. central/intergroup offices, and areas have added information to their websites about how to change a meeting format from "in-person" to a digital platform. A.A. in the digital age has certainly taken on a new meaning in these challenging times.

ZOOM is now requiring your group's zoom meetings to have passwords to secure your meetings. Please email your meeting password to aacentral@sbcglobal.net, so that we may update the remote meetings list on our ainlandempire.org website "home page." Also, please communicate this message to others. Thank you.
