7TH TRADITION CHALLENGE

"Now that we are sober in A.A., the word 'support' has to do with sharing, people, self-respect, gratitude, and what we are privileged to give - not take - in material terms."

We are self-supporting through our own contributions ~ Many of our branches are suffering from lack of support (GSO, Area, H&I, Central Office). How much does one drink cost? If it were not for Alcoholics Anonymous, we'd be drinking plenty!

Drop the cost of one drink into your home groups basket when it comes by ... you can't afford not to!

Need help Zooming to meetings?

The Area 9 Cooperation with the Elder Community Committee would love to help.

Many meetings have created online versions of themselves with Zoom video conferencing. If you are tech savvy it's a piece of cake to install the app, join a meeting and see your homegroup friends! BUT, not everyone has access to a computer.

Did you know you can call into AA meetings from your telephone? Landline, home phone, cell phone it doesn't matter, you can join any Zoom meeting with voice only, from any phone. Call (669) 900-6833 then enter the meeting ID and password if prompted. Check with your local Central Office/Intergroup or email us at cecchair@msca09aa.org to get an easy to read list of Area 9 meetings with the numbers you need to dial to join by phone. Just like that you're in!

Online Intergroup of Alcoholics Anonymous (aa-intergroup.org) is another great resource for meetings throughout the US and around the world!

ALCOHOLICS ANONYMOUS BRIDGING THE GAP TEMPORARY CONTACTS

We are taught to live life on life's terms. Bridging the gap between inside alcoholics and outside Alcoholics Anonymous during the Covid-19 pandemic challenges us to continue serving our fellows, even though familiar access has been affected. We are called on to set aside old ideas and search for creative, innovative methods to ensure alcoholics leaving treatment and corrections facilities have temporary contacts. How do we ensure newly released alcoholics are connected to a member of Alcoholics Anonymous? How do we provide them with someone who will take them to meetings, introduce them to members of the fellowship, and, most importantly, help them choose a home group and sponsor? We need to think outside the box, given many of our meetings are using internet technologies, such as Zoom. We need to solve the problem of meeting with and introducing newly discharged and released alcoholics to members of our fellowship while keeping safe social distancing in mind. Some of us rely on correspondence, video visits, or telephone. In whatever way you adjust your programs during these changing times, we must continue our vital Twelve Step service bringing newly released alcoholics into the middle of Alcoholics Anonymous.

Laura S.
Alternate Coordinator,
Bridging the Gap Workshop Weekend
altcoordinator@btgww.org

One of my favorite history items I came across is what I consider is the very first successful Bridging The Gap event (and the essence of what BTG is about) during the beginning of A.A. as follows :

The Earliest Bridging The Gap Work . . . began 24 days after the start of AA. This was when Bill W. & Dr. Bob had been Twelfth Stepping AA's Third Member ("The Man On The Bed") Bill Dotson. It was on that day (July 4th, 1935) in Akron's City Hospital that he (Bill Dotson) admitted he couldn't control his drinking and had to leave it up to God. Then they (Bill W. and Dr. Bob) made him get down on his knees at the side of the bed and pray and say that he would turn his life over to God. Before the visit was over, he suddenly turned to his wife Henrietta and said, "Go fetch my clothes, dear. We're going to get up and get out of here." He walked out of that hospital a free man, never to drink again. AA's Number One Group dates from that day. That same day (Fourth of July) they had plenty to celebrate. So they had a picnic. The Smiths, Bill Wilson, the Dotson's, and Eddie Riley (the first alcoholic they tried to help) were there.

About the BTGWW

For many decades AA members have been helping problem drinkers bridge the gap between Alcoholics Anonymous and hospitals, institutions, and corrections facilities. We arrange an AA contact to go with the clients and offenders to their first AA meetings when they arrive home.

BTGWW is an informal gathering of AA members from many entities, including groups, districts, conference areas, the General Service Office and intergroups/central offices.

The BTGWW newsletter, Annual Workshop Weekend, and digital Resource Library are other tools that help us learn from each other.

Our committee members invite you to join us and share your experiences.

THIS YEAR'S EVENT HAS BEEN RESCHEDULED

We look forward to seeing you in 2021
Same weekend—Same place
Holiday Inn Rock Island Hotel
226 17th Street, Rock Island, Illinois 61201

September 10–12, 2021

At that time in the early summer of 1935 there were no meetings like we have been enjoying for 85 years. Still, instead of leaving Bill Dotson to his own devices when it was time to be discharged, well someone decided to stick close by – even if it was just a picnic -- to help the newcomer get a good start in sobriety. That is about as close to today's Bridging The Gap as one can get.
