“Came to believe that a power greater than ourselves could restore us to sanity”

Tradition

For our group purpose there is but one ultimate authority—a loving God as He may express himself in our group conscience. Our leaders are but trusted servants; they do not govern.

Concept

The General Service Conference of A.A. has become, for nearly every practical purpose, the active voice and the effective conscience of our whole society in its world affairs.

Principle TWO

Hope – Came to believe that a power greater than ourselves could restore us to sanity.

DEBRA

Right before New Year's Eve, we lost one of our valuable After Hour Volunteers...Debra Bramow. This past October she celebrated her 32nd sobriety birthday, followed by her 70th birthday in November. She was so happy! Even if the 8 people were socially distant and masked.

In her early years of sobriety, Debra spent many hours doing service-related activities for AA in the cities of Upland and Rancho Cucamonga. When became disabled, she continued to be of service by being the treasure of Kaiser's Wednesday Night Speaker Meeting and also a valuable member of the After Hour Volunteer Calendar.

Although Debra could be quite blunt and gruff at times, she had one of the **biggest** hearts. Pre-Covid, when we had face-to-face meetings, Debra would give supportive and welcoming cards to newcomers at our meeting. She was also known for squeezing her "squawking" rubber chicken for chip takers and speakers, bringing laughter to everyone!!

With the onset of Covid and the quarantine, Debra continued her AA service by frequently requesting to fill any open slots on the volunteer phone lines. She continued to touch other people's lives with phone calls and mailing beautiful cards and letters decorated with cheerful seasonal stamps including supportive and loving messages.

Outside of her AA family, Debra leaves behind 2 sons, 1 daughter and 2 beautiful granddaughters. Relieved she is now out of the pain and suffering that she endured for many years, we will miss her immensely and always keep her in our hearts.

ALCOHOLICS ANONYMOUS
BRIDGING
THE
GAP
TEMPORARY CONTACTS

We are taught to live life on life's terms. Bridging the gap between inside alcoholics and outside Alcoholics Anonymous during the Covid-19 pandemic challenges us to continue serving our fellows, even though familiar access has been affected. We are called on to set aside old ideas and search for creative, innovative methods to ensure alcoholics leaving treatment and corrections facilities have temporary contacts. How do we ensure newly released alcoholics are connected to a member of Alcoholics Anonymous? How do we provide them with someone who will take them to meetings, introduce them to members of the fellowship, and, most importantly, help them choose a home group and sponsor? We need to think outside the box, given many of our meetings are using internet technologies, such as Zoom. We need to solve the problem of meeting with and introducing newly discharged and released alcoholics to members of our fellowship while keeping safe social distancing in mind. Some of us rely on correspondence, video visits, or telephone. In whatever way you adjust your programs during these changing times, we must continue our vital Twelve Step service bringing newly released alcoholics into the middle of Alcoholics Anonymous.

Laura S.
Alternate Coordinator,
Bridging the Gap Workshop Weekend
altcoordinator@btgww.org

One of my favorite history items I came across is what I consider is the very first successful Bridging The Gap event (and the essence of what BTG is about) during the beginning of A.A. as follows :

The Earliest Bridging The Gap Work . . . began 24 days after the start of AA. This was when Bill W. & Dr. Bob had been Twelfth Stepping AA's Third Member ("The Man On The Bed") Bill Dotson. It was on that day (July 4th, 1935) in Akron's City Hospital that he (Bill Dotson) admitted he couldn't control his drinking and had to leave it up to God. Then they (Bill W. and Dr. Bob) made him get down on his knees at the side of the bed and pray and say that he would turn his life over to God. Before the visit was over, he suddenly turned to his wife Henrietta and said, "Go fetch my clothes, dear. We're going to get up and get out of here." He walked out of that hospital a free man, never to drink again. AA's Number One Group dates from that day. That same day (Fourth of July) they had plenty to celebrate. So they had a picnic. The Smiths, Bill Wilson, the Dotson's, and Eddie Riley (the first alcoholic they tried to help) were there.

About the BTGWW

For many decades AA members have been helping problem drinkers bridge the gap between Alcoholics Anonymous and hospitals, institutions, and corrections facilities. We arrange an AA contact to go with the clients and offenders to their first AA meetings when they arrive home.

BTGWW is an informal gathering of AA members from many entities, including groups, districts, conference areas, the General Service Office and intergroups/central offices.

The BTGWW newsletter, Annual Workshop Weekend, and digital Resource Library are other tools that help us learn from each other.

Our committee members invite you to join us and share your experiences.

THIS YEAR'S EVENT HAS BEEN RESCHEDULED

We look forward to seeing you in 2021
Same weekend—Same place
Holiday Inn Rock Island Hotel
226 17th Street, Rock Island, Illinois 61201

September 10–12, 2021

At that time in the early summer of 1935 there were no meetings like we have been enjoying for 85 years. Still, instead of leaving Bill Dotson to his own devices when it was time to be discharged, well someone decided to stick close by – even if it was just a picnic -- to help the newcomer get a good start in sobriety. That is about as close to today's Bridging The Gap as one can get.

Need help Zooming to meetings?

The Area 9 Cooperation with the Elder Community Committee would love to help.

Many meetings have created online versions of themselves with Zoom video conferencing. If you are tech savvy it's a piece of cake to install the app, join a meeting and see your homegroup friends! BUT, not everyone has access to a computer.

Did you know you can call into AA meetings from your telephone? Landline, home phone, cell phone it doesn't matter, you can join any Zoom meeting with voice only, from any phone. Call (669) 900-6833 then enter the meeting ID and password if prompted. Check with your local Central Office/Intergroup or email us at cecchair@msca09aa.org to get an easy to read list of Area 9 meetings with the numbers you need to dial to join by phone. Just like that you're in!

Online Intergroup of Alcoholics Anonymous (aa-intergroup.org) is another great resource for meetings throughout the US and around the world!
