Step

Made direct amends to such people wherever possible, except when to do so would injure them or others.

Tradition

A.A. as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.

Concept

Good service leadership at all levels is indispensable for our future functioning and safety. Primary world service leadership, once exercised by the founders, must necessarily be assumed by the trustees.

Justice

Made direct amends to such people wherever possible, except when to do so would injure them or others.
