Step

Continued to take personal inventory and when we were wrong, promptly admitted it.

Tradition

Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy.

Concept

Every service responsibility should be matched by an equal service authority, with the scope of such authority well defined.

Contact us for more information: speakers@loveandservicegroup.org

A November Tradition Gratitude Month November 2026

Please pass the 7th Tradition basket twice, first for the group 7th tradition and the second time for a Central Office Gratitude donation.

Mail or deliver the November Gratitude donations to the Central office after your last meeting in November, Special envelopes will be provided.

Please begin announcements at your last October meeting and November meeting when the 7th Tradition is passed the second time.

For many decades now, we in the fellowship have formally carved out from the calendar the month of November as a time to express our collective gratitude for our individual sobriety. Interestingly, no one is exactly sure why that month was originally chosen, though its connection with Thanksgiving seems obvious. AA co-founder, Bill W., thought for a while that his sobriety had begun in November, but later calculations established the date of his new beginnings as December 11.
